

Greetings everyone!

This will be the agenda for the June 23, 2010 Home Owners Meeting. Bring your fees, \$35.00 for dues and dinner.

Time: 6/23/10, 06:00 pm

Place: Elks Lodge, 148 E 2nd St. Salida, CO 81201

Presentations, discussions, catered food and cash bar

- **Presentation of fire mitigation by SA Fire Dist. and \$475.00/acre grants.**
- **Update of Tract C fire cistern**
- **Update of the Ips beetle (11 species) infested trees.**
- **Update of neighborhood watch**
- **Update of Bicycle Race**
- **Presentation of mill levy proposal**
- **Q & A for all the above**

It is important that YOU let me know what you want from your HOA. For example, do you want to have the Fire Department help you with a grant & property fire mitigation; keeping in mind that we have no hydrants or cistern as yet? Tree care should also be high on each homeowners list. Please remember that we are responsible for our community and its care. [www.pinionhills.org] See you at the meeting.

Respectfully,
